Stouffville Pickleball Players (SPP) 2024 June Newsletter

May came and went! Weather has been unpredictable as Monday Ladder has been rained out a few times. Let's hope June stays with ideal pickleball weather!

The SPP 2024 Season Opener on June 1st was a success!

Over 100 members came out and enjoyed PB games, delicious refreshments and great prizes!

For those who could not make it, **Dennis Carter, our SPP President** was presented with a much deserved plaque by SPP and the Town of Stouffville for all his hard work to help bring about the dedicated pickleball courts to Stouffville. Maurice Smith, Ward 2 Councillor/Deputy Mayor, and Roger da Cunha, Manager Park Development and Operations presented the plaque and observed the day's festivities.

More Social photos will be posted soon... stay tuned and...
